2000 Analytical Review DWCCA-2200-PJL

Dear Mrs. Von Ogden:

The Public Service Commission staff is in the process of completing an analytical review of your utility's 2000 annual report. The purposes of an analytical review are to detect possible reporting or accounting related errors and to identify significant fluctuations from established trends in reported data not sufficiently explained in the annual report. It is our hope that this review will supply information that will enable us to better provide guidance to your utility regarding proper utility accounting and the preparation of future annual reports. In order to complete this review, we request the following information:

The 523,000 kWh used for pumping on page W-10, line 26, appears high when compared to the \$3,174 cost of purchased power on page W-5, line 3. Please review your records and submit a revised total for kWh, or submit a copy of an invoice for one month during 2000 if you feel that the amount reported is correct.

We appreciate your cooperation in providing the above information. These recommendations are intended to provide accounting assistance and should not be construed as criticisms of utility personnel. If you have any questions, please feel free to contact me at (608) 267-9198. Please respond within 30 days of this letter. If it is convenient for you to respond by e-mail, please do so. My e-mail address is [leegep@psc.state.wi.us](mailto:leegep@psc.state.wi.us). If we have no questions regarding your response, you can consider the review closed.

Sincerely,

Peter J. Leege

Dear Peter:

Theresa Von Ogden is no longer with the Village of Genoa City, and I was not able to find the reasoning behind the 523,000 kWh figure used in this years report. I did some checking and found that a figure of 219,000 kWh is closer to a correct figure.

If I can be of further assistance please let me know. My e-mail address is gcpw@genevaonline.com or you may contact me by phone at (262)279-5728 between the hours of 6:30 Am and 3:00 Pm.

Sincerely,

John P. Wrzeszcz
